-against-

ORDER

NETFLIX, INC., AVA DUVERNAY and
ATTICA LOCKE,

Defendants.
-----X

CASTEL, U.S.D.J.

Time to file motion to seal trial evidence extended to February 27, 2024. The burden of sealing evidence to be presented to a jury in deciding a controversy of public interest is high. The parties are of course welcome to seek leave to present redacted exhibits, in which event the non-redacted portions are not trial evidence. The parties should address how sealed evidence is to be addressed in a public courtroom. In the absence of controlling Supreme Court or Circuit authority, the Court requests citations to district court rulings addressing sealed evidence presented to a jury in a civil case.

SO ORDERED.

P. Kevin Castel
United States District Judge
